**Primary School**

Hello Parents, Caregivers and Community Members,

Congratulations go to one of our Year 6 students for his selection in the State 12’s Rugby League Schoolboys team to compete in the Australian Championships in Darwin later this year. A tremendous achievement and well done Jonathon Mato, Room 7.

As the weather changes to “real” winter, several points need to be discussed:

If it is raining, please make sure that students wear suitable wet weather clothing to and from school – sitting around in wet clothes all day is not the best.

Extra care is required when crossing roads and riding bikes or scooters to school. Care is also needed when parking around the school – please be extra vigilant when driving and/or parking around the school.

The school dress code needs to be followed in relation to the types of windcheaters worn. It would be great to see a lot more Being Seen, Being Safe vests being worn to and from school.

Well done to all of our sports teams for their great participation in the Inter-school Winter Carnival held on Wednesday, 24th June. Endeavour had mixed results but came out in front for participation, sportsmanship and competitiveness.

On the sporting theme – Mr Nurse is extremely pleased with the effort and participation of all students during the Cross Country training and event this year – he reports great times, even better participation and as a result, higher levels of fitness. Well done to all.

We are currently taking expressions of interest for Kindy and Pre-Primary classes for 2016 – yes, it is that time of the year again. Please see the front office for all details. All applications should be finalised by the beginning of August.

Thank you to the parents and caregivers who have paid the voluntary school fees this year. Your contributions are truly appreciated. We have kept the fees as low as possible and they can be paid at any time at the school office.

Semester One reports will be sent home for your perusal and comment next Thursday, 2nd July. It is advisable to read the reports with your child/ren and discuss the teacher’s comments and other aspects of the report – areas where I need to try harder, areas where I have achieved well etc. A meaningful parent/child talk can have great influence on future development.

Let’s continue to do the great job we are all doing and ‘reap the rewards’ of your efforts. One week to go before the holiday, so enjoy, work hard and show FAF

Dear Parents and Caregivers,

Lauren Hubert (Room 6) is taking Semester 2 for maternity leave. We wish her all the best with her second baby. Lauren will be replaced by Miss Diana Storey who is a qualified ESC trained teacher with several years of experience who is looking forward to working at Endeavour Schools.

Also Mrs Liz Padley and Mrs Dianne Perry are leaving the Department this term. We would like to extend this opportunity to thank them for all of their hard work and dedication to the students of Endeavour. We wish them all the best in their new endeavours.

The students have been working very hard this semester and can’t wait to show their parents all of the great work they have completed. Reports and Portfolios will go home Thursday, 2nd July

In Rooms 6 and 12 we have been learning about what makes a good friend and how we can be a good friend by demonstrating the school values. We have also learnt about how it feels to have friends and that friends can make you feel better when you are feeling down.

Here are some of the qualities we believe make you a good friend:

**Lola:** “I think a good friend is someone who plays with you.”

**Declan:** “I think a good friend is someone who cares about me.”

**Thomas:** “I think a good friend is someone who helps me.”

**Lucas:** “I think a good friend is someone who is nice to you.”

**Henry:** “I think a good friend is someone who helps you.”

**Charlee:** “I think a good friend is someone who is nice.”

**Pippa:** “I think a good friend is someone who helps.”

**Ayden:** “I think a good friend is someone who is fun to play with.”

**Kylan:** “I think a good friend is someone who plays nicely.”

**Jackson:** “I think a good friend is someone who is nice to me.”

**Harrison:** “I think a good friend is someone who plays ball with me.”

Parents can now make payments in advance for any future expenses such as swimming lessons, incentives and excursions. These payments will be held as credit in your child’s account and then allocated against excursions as they occur.

Payment can be made by cash, EFTPOS or direct deposit. If you require any more information, please see the front office.
