Primary School

Hello Parents, Caregivers and Community Members,

Since the beginning of second term, we have welcomed over 20 new students and their families to Endeavour. Our numbers now are nearly as high as they have been in recent times. There are places remaining in Kindy and Pre-Primary with priority going to children in our catchment area. Currently, we are looking closely at projected numbers for the next two years as a big change to the school’s class set up may occur in 2015 when the Year 7’s are in the secondary school system.

From all reports the Year 7 students are having a great time at Nanga Bush Camp despite the less than favourable weather – the weather just adds to the fun of the camp.

Well done to Ethan Lamont who recently made the final 25 in the selection process for the State Junior Hockey Team. Unfortunately, Ethan didn’t make the final team but it is a big achievement to get so far in the selection trials.

Endeavour Schools have been invited to submit student comments in the ED Magazine in Tuesday’s West Australian. Year 6 students will feature in the 11th June edition with Year 7 students featuring in 18th June edition. Students were given a task to write about.

With the change in weather, there seems to be an increase in senseless vandalism occurring at the schools over the weekend – it seems that individuals or groups seek shelter here and then, as a “calling card”, damage the premises. I ask that community members become our “Eyes on the Schools” and report anything that is not acceptable to School Security on 1800 177 777 and/or the Police on 131 444.

The Pre-Primary to Year 3 children will be attending in-term swimming lessons shortly and parents would have noticed a sharp increase in the costs – this is unavoidable due to the admission being charged by the swimming centre. The school negotiated a reduction in actual admission cost but the total cost is still more than in the past. It needs to be mentioned that the centres are subsidising the cost of the buses for these swimming lessons but will be unable to do so in the future due to our funding restrictions. Swimming lessons may become more expensive in the near future.

Keep working hard and aim to do a little better than your best.

Alan Hansen - Principal

Education Support Centre

Dear Parents and Carers,

Firstly, congratulations to the wonderfully talented Endeavour staff who went off last week to gain their Bronze Medallion. It was a cold day and everyone did a great job. Thankyou for all your hard work which will help all of our students when we go to excursions and carnivals at water-based venues.

Next, students in the Schools Alive Choir – Tiana Hunwick, Levi Kenyon and Althea Potgieter – performed at a recent principal’s conference magnificently. They are a credit to our school and should be very proud of themselves. Well done, guys!

Now here is the information you have all been waiting for……… the bi-annual ESC camp is to be held overnight at Alfred Hines Camp at Point Peron on Thursday 31st October. We are going on an excursion on Thursday, having a “special” disco on Thursday night and a water skiing day on Friday. Looks like we will all be exhausted when we get home! All the details will be sent home shortly including what to bring and the costs. We will be doing some fundraising to help keep the costs for families as low as possible starting with Pyjama Day on Tuesday, 11th June. On this day, all Endeavour students are invited to wear their pyjamas to school for the day for the cost of a gold coin donation – great news with the cold weather we’ve been having lately. We hope to see everybody participate.

More great news - Endeavour ESC has just received a grant of $14,000 from the Federal Government – More Support for Students with Disability which will be used over the next 18 months for the provision of Occupational Therapy assessment and the development and implementation of individualised programs for our students. If there are enough funds once we have catered for the students, we hope to provide intensive training for our staff and provide parent workshops. This program will provide an extended range of therapy based programs for students related specifically to school access and issues.

Finally, I’d like to let you know that from 2014 onwards, Endeavour Education Support Centre will be conducting an Early Intervention program for Kindergarten and Pre-Primary students with a diagnosed disability (Autism, Global Developmental Delay, physical disability). These students will be enrolled in the Education Support Centre and receive the specialist services of our staff. As the demand for enrolment in Kindergarten and Pre-Primary programs is great, we have limited number of spaces available so please make sure that you let your friends and neighbours know that this program will be available. Closing date for applications is Friday, 26th July 2013.

Music News

Year 2 Orchestra Excursion - Our Year 2 students will be going to Perth Concert Hall next Tuesday to see the Educational Chamber Orchestra (EChO) from the Western Australian Symphony Orchestra (WASO). It’s going to be an interactive concert with lots of fun and learning.

Endeavour’s Got Talent Concerts - will be in Week 9 (last week of term) during Music lessons. Children can select up to 2 musical items (singing, dancing, instrumental) to perform in front of their class. It will be a lot of fun and we’re sure to see plenty of great quality items. Remember kids-practise at home first.

Choir Assembly - The Senior and Junior Choirs will be performing some beautiful songs at the next school assembly on June 6th. We hope you can come along.
