I liked it when we went canoeing. We got to race other people and got splashed by the water. It was freezing but it was good. Alleayah

I liked the dorms because we had lots of people in them. They kept me awake a bit but it was still fun! Pheonix

I liked the rock climbing and the deadly duck pond as well. Lee

I liked canoeing because you could do lots of activities. Like instead of using our paddles we had to use our hands. Tiarna

I liked the dorms because we had lots of people in them. They kept me awake a bit but it was still fun! Pheonix

I enjoyed raft making because it was fun watching everyone fall in. Christina

I liked bike riding because it’s good for fitness and fun. The best part was riding down the hill because you could go really fast. Jeremy

My most favourite activity out of everything was when we played scarecrow. The people who were “it” chased people around and hit them with a foam bat. It was loads of fun to play, especially if you were the team that was it! Chloe

One of the best things on camp was the food. We had a cooked breakfast except for the last day because there was a power failure. At the camp school they had an orchard and Jacob and I found a mandarin and some fejoas. The fruit was amazing. Sean
Dear Parents, Caregivers and Community Members,

School Contributions Early Payment Raffle
Last term we informed our school community, via the newsletter, about our school contributions early payment raffle. All students' contributions that were paid by the end of Term 1 went into a draw to win a $100 uniform voucher at the P&C Uniform Shop. This was drawn last week and our lucky winner has been notified. Unfortunately under Department of Education policy we are not allowed to publicly announce people who have or have not paid their school contributions! I am sure our lucky winner will make good use of this uniform voucher!

Year 6 Camp
As Mrs Gorbould has mentioned in her report, last week our Year 6 students attended their annual camp. A big thank you to all the staff for their efforts over the course of the week. It was evident that the students enjoyed the camp and we look forward to them sharing their stories with our school community.

Early Childhood Play Area
In 2016 a plan was developed to improve the play area within the early childhood area of our Schools. This plan consisted of a nature play focus to tie in to work already completed in the Discovery play area. Some of this work commenced last year with the installation of Stage 1. We are now working hard to raise funds to complete Stage 2 of this project. The school and the P&C Association have teamed together to work in partnership to have this as a major focus for our fundraising efforts. I would like to thank our P&C Association for their support with this venture.

School Canteen
Currently the school canteen is operated by our P&C Association and its operations are being reviewed. I encourage families to take the time to respond to the P&C canteen survey that has come out this week. This is an opportunity to have your say on a variety of issues relating to our canteen service.

Resolution of Issues
A positive partnership between the school and home is important in supporting the educational needs of your child. When an issue arises relating to your child the first point of contact should be your child's teacher. It is best to organise a meeting at a mutually convenient time so any issues can be discussed in detail and solutions developed rather than at the start of the school day during drop off time. If an issue is unable to be resolved the next step is to organise a meeting with a Deputy Principal. If after Deputy Principal support the issue is still unresolved, than a meeting should be arranged with myself.

Please stay safe and enjoy the upcoming long weekend! Students return to school on Tuesday 5th June 2018.

Chris Burgess - Principal

Dear Parents and Caregivers,

I’d like to take this opportunity to thank all our wonderful staff who organised and supervised our recent Year 6 camp to Bridgetown so that our students could have the best possible time. It takes an enormous amount of preparation and co-ordination to ensure that all our students are fully supported for their time away from their families and regular routines. Our teachers and EAs have done a magnificent job volunteering their own time, using their knowledge and experience and doing everything possible to ensure our Year 6 students enjoyed their camp. So on behalf of all our Year 6 students who went to camp, we sincerely THANK YOU Mr Vincent, Mrs Taljaard, Miss O’Neil, Mrs Brown, Mrs Emery, Miss Martens and Mrs Martinez for all your hard work.

Students have returned from the Year 6 camp with an abundance of stories and adventures with their fellow students. They’ve learned a lot about each other and their teachers and EAs over the week where some really interesting talents were highlighted and some new friendships established. I’m sure we will be hearing more of the details in the next few weeks and I am looking forward to the photos!

I was fortunate enough to visit camp for the last 2 days and here is my reflection:
- Heaps of great food
- Lots of fun and laughter
- Outstanding performances on Concert Night
- Exciting adventure with the power going out in the middle of the night
- Kind and helpful students and staff
- A camp to remember!

Coming Up…..
We are having a permanent water supply installed in the Discovery Playscape for the water play area on Monday, 18th June but we do not envisage this taking up too much time or disruption in the playground. Following this there will be some work done around the area between the two classrooms.

We are getting ready to do some work with Warnbro Community High School ESC at the end of this term and the beginning of next term in our Big Buddies, Little Buddies program for our senior students. Students from the high school will be visiting us to work on a buddy project then we will be going to the high school to complete the project. This is a fantastic opportunity for our students to visit the high school and meet some of the people they will be working with in the future.

That’s all for now,

Jayne Gorbould - ESC Principal

P.S. Please remember to be responsible and respectful of other motorists and our very precious students when you are parking or driving around our Schools.

School Value in Focus: Respect

Respect is a positive feeling or action shown towards someone. It can be demonstrated when you show care, concern or consideration for the needs or feelings of others. Below are some ways we can demonstrate respect while at school:

- Taking turns when playing games with my peers.
- Treating other people with kindness and courtesy.
- Using language that is suitable at school.
- Using our manners when interacting with others.
- Following the instructions of school staff.
PERFORMING ARTS

The Year 5 students will be going on an exciting drama excursion to Murdoch University on Friday, June 8th. The production ‘The Phoenix and the Fighting Pandas of Yunnan Province’ will be presented by Murdoch’s Children’s Theatre Group and will cost $13 (including ticket & bus fare).

The drama excursion is to inspire, educate and entertain our students and we look forward to hearing all about it on their return.

This year our Year 6 students will do Music in Semester 1 and Drama in Semester 2 to broaden their development in performing arts before attending high school. This is a trial program and we shall be asking for feedback from students and parents at the end of the year.

WAGSM Dance Group - Approximately 50 Year 5 and 6 students bust out plenty of super moves every Friday Fitness time as they practise for the WAGSM concert to be held at MPAC in August. Helayna M. from Year 5, is our choreographer and dance teacher (with staff assistance) as the wonderful Mrs Cross is not available this year. Outstanding work, Helayna! The dance group members also have creative opportunities within the dance. They are making great progress.

A huge thank you to Tayla, older sister of Alyssa R, for helping our Senior Choir and other aspects of the performing arts programs at Endeavour Schools. She has studied performing arts in the UK and is an inspiration for our students. We greatly appreciate her time and effort.

Endeavour’s Got Talent Concerts - Each class from Year’s 1 to 6 will be having a talent show in their music lessons, during Week 7 (June 12th -15th).

These concerts are non-competitive and students have free choice in what they perform in front of their class. Items can be musical, a dance or a short drama skit (including poetry).

Parents are welcome to watch their child’s class concert. These concerts will be run again in Term 3 to give students a second opportunity to perform anything of their own choice in front of their class.

Endeavour Schools P&C
Fundraising Goal

The P&C has been asked to donate $64,000 in order to help finish off the NEW Early Childhood Play Area, this is on top of the other things we get asked to help fund each year. Help us make our goal a reality with our current fundraiser

P & C Run4Fun

The P & C are holding a School Run4Fun on Friday, 8th June 2018. Sponsorship forms have already been handed out. Students can obtain donations in cash using the Sponsorship Form as well as online fundraising at www.myprofilepage.com.au.

Students who raise $10 or more will receive an incentive prize for their efforts.

All donations need to be finalised before 8.45am on Friday, 8th June and booklets returned to the office by this date. Students prizes will be delivered shortly after.

More information is available at the front office.
Don’t forget our Book Fair being held on 13th, 14th & 15th June from 8:10 – 9.00 am & 3.00 – 3.45 pm in the Library.

**Endeavour Schools have EFTPOS facilities available in the front office. This facility can be used for payments such as contributions, swimming lessons or excursions.**

Parents are encouraged to make payments in advance for any future expenses such as swimming lessons and excursions.

These payments will be held as credit in your child’s account and then allocated against excursions as they occur. Payment can be made by cash, EFTPOS or direct deposit. Credit card payments can be made over the phone as well as in the office.

**All incursions / excursions will need to be paid IN FULL before the due date otherwise your child may not be eligible to attend.**

**Hi my name is Belinda Iuni and I am the new Primary School Chaplain.**

I am originally from midwest country WA, but I have lived, worked and travelled around many places of WA.

My husband I are a blended multi-cultural family, we have three children, our eldest being in High School and our younger two children in Primary School.

We have lived in Port Kennedy for the past five years. We are involved in local sporting clubs such as Netball, Rugby League and Basketball as well as other local community organizations. It brings me great joy, walking into the school each morning and seeing the smiles on the kid’s faces. I’m slowly meeting the children, as well as the parents and guardians and have been so fortunate to be able to spend time in with some of the teacher’s and their classes so far.

I absolutely love being a part of this wonderful school community. The love and care the staff have for the whole school community makes me feel very fortunate to be here.

I am currently available at school Mondays and Fridays as well as every second Tuesday, my door is always open if you ever need a listening ear.

Chaplain Belinda xx

**Do you have a child aged between 3 and 18?**

Child and Adolescent Community Health and WA Country Health Service are reviewing the community health services provided to school-aged children and across Western Australia. You are invited to complete a short survey to help them understand what is important to you, what is working well and what could be made better.

For more information and to complete the survey, visit http://healthywa.wa.gov.au/School-health-services. The survey closes on Friday, 8th June.

SURVIVAL KIT for Separating Dads

Have you... separated from the mother of your children?
Are you... finding that your separation is presenting many challenges for you, as a Dad?
If so... this fathers-only seminar is for you!

We, at Relationships Australia, acknowledge that separation is among the toughest experiences a father will have during his lifetime. Separation can involve a range of intense feelings for fathers, as they face the challenge of staying connected with their kids.

This brand-new seminar aims to provide a supportive space to you, as a Dad, as you navigate the process of separation.

This seminar will:
• acknowledge the range of experiences for fathers during family separation;
• identify strategies fathers have used to stay well in previous difficult times; and
• offer suggestions for staying well through the separation process.

When: Tuesday 26 June 2018
Where: Relationships Australia Midland – 27 The Crescent, Midland
Time: 6:30pm – 9:00pm    Fee: $30.00 per person
